All Patent Rights Reserved By The Manufacturer

#### UNIQUE FEATURES:

- Water heating, with high efficient shower head in 2.2 L/min output.
- 12V DC longlife brushless high flow submersible pump with vehicle cigarette lighter fitting
- ON/OFF switch shower head, and water pipe with quick connector.
- Extra side duct shields for windproof protection(CE version)
- Visible view on the combustion status
- Individual tap for easy water collection
- 25K water temperature rise above source water

#### INCLUDED ACCESSORIES:

Water hose  
& pump

12V DC lead  
cigarette connector

Shower head  
and hose assembly

Carry bag

#### OPTIONAL ACCESSORIES:

Regulator

Regulator

Nominal heat input / Gas consumption	Weight		Body Size & Packing		Qty:20' /40' /40HQ(pcs)
	N.W	G.W	Body Size	Packing	
5.0 kW	6.0kg	9.6kg	250x350x300mm	430x405x345mm	482 /970 / 1130
357g/h	13.2lbs	21.2 lbs	9.8x13.8x11.8 inch	17x15.9x13.6 inch	

#### UNIQUE FEATURES:

- Water heating, with high efficient shower head in 2.2 L/min output.
- 12V DC longlife brushless high flow submersible pump with vehicle cigarette lighter fitting
- ON/OFF switch shower head, and water pipe with quick connector
- Fuse protection
- Individual tap for easy water collection
- Digital control panel for power and pump control, and with indicator of Ignition, safety cutout and outlet temperature
- 25K water temperature rise above source water

#### INCLUDED ACCESSORIES:

Water hose  
& pump

12V DC lead  
cigarette connector

Shower head  
and hose assembly

Carry bag

Regulator

#### OPTIONAL ACCESSORIES:

Regulator

Nominal heat input	Weight		Body Size & Packing		Qty:20'/40'/40HQ(pcs)
	N.W	G.W	Body Size	Packing	
5.7 kW	6.0kg	9.6kg	250x350x300mm	430x400x340mm	482 /970 / 1130
20.68 MJ	13.2 lbs	21.2 lbs	9.8x13.8x11.8 inch	17x15.7x13.4 inch	

#### UNIQUE FEATURES:

- Stylish design with stainless steel and plastic body
- Handle for easy carry up
- Water heating, with high efficient shower head in 2.2 L/min output.
- 12V DC longlife brushless high flow submersible pump with vehicle cigarette lighter fitting
- ON/OFF switch shower head, and water pipe with quick connector
- Fuse protection
- Built-in chargeable lithium power battery
- Digital control panel for Power, Pump control , with indicator of Ignition, Safety cutout, Outlet selection, Inlet and Outlet temperature, also the Battery charging status
- 25K water temperature rise above source water

#### INCLUDED ACCESSORIES:

Water hose  
& pump

12V DC lead  
cigarette connector

120/220VAC - 12VDC  
charge adapter

Shower head  
and hose assembly
